**How to register
your scanner**

Before you begin

You must be registered as a Member in order to register your scanner

- For a detailed guide please review 'How to register as a Member'

1. Visit us at www.autolandsciencetechusa.com

The screenshot shows the homepage of the Autoland Sciencetech website. At the top, there is a navigation bar with the company logo on the left and a menu with items: Home, Products, About, Tech Support, Human Resources, Member, Forums, and Contact. The 'Home' item is highlighted with a red background. To the right of the menu are links for 'Login' and 'Language'. Below the navigation bar is a large banner featuring the 'iSCAN II wt' diagnostic tool, a handheld device with a screen and buttons, and the text 'Driving Diagnostics'. Underneath the banner is a row of six smaller product images with labels: iSCAN II wt, VEDIS II, e-iSCAN, IG-M1, PS-M1, and CA15. Below the products is a 'News' section with three articles. The first article is titled 'Exhibition' and is about the '2016 Automechanika Frankfurt' held from September 13-17, 2016. The second article is titled 'E-paper' and is about 'The 47rd ePaper Technical Guidance MITSUBISHI Customize Functions'. The third article is titled 'Latest version / News' and is about 'MB Coding V2016.08A/2015.12SP2 USEN/TWCH/JPJP'. A 'More...' link is visible at the end of the third article.

2. Login to the member's area (top-right of the website)

The screenshot displays the website's navigation bar with the following menu items: Home, Products, About, Tech Support, Human Resources, Member, Forums, and Contact. The 'Member' item is highlighted with a red background and a red arrow pointing to it. Below the navigation bar, the page title is 'Member'. The main content area features a 'Member Login' form with the following fields and buttons:

- Login ID :
- Password :
- Login
- Forgot password

Below the login form, there is a section titled 'To Be Our Member You Can Get' with a list of benefits:

- ▶▶ Software Specification
- ▶▶ The Lastest Technical Information
- ▶▶ Free Service - Pack Software Download
- ▶▶ ePaper

A 'Register' button is located at the bottom of this section. A breadcrumb trail 'Home / Member' is visible in the top right corner of the page content area.

3. Click on **iSCAN-II wt Base Unit S/N registration.**

(if you have a VeDis-II, click on the VeDis-II tab on the left side, then click on the **VeDis-II Base Unit S/N Registration** button)

The screenshot displays a web application interface for a member. At the top, there is a blue header with the word "MEMBER". Below this, a grey bar indicates the current location: "LOCATION: >MEMBER". The main content area is titled "Universal Imports(Member)" and contains a table of member details:

Current Date	2014-10-31	Agency	Autoland Sciencetech USA
Contact Person		ID	
Tel		Fax	
Email		Company Address	

Below the table are two buttons: "Modify Member Information" and "Logout". At the bottom, there is a navigation menu with several options:

- iSCAN-II wt
- iSCAN-II wt Software Upgrade
- iSCAN-II wt Base Unit S/N Registration** (highlighted with a red box and a mouse cursor)
- iSCAN-II wt Specification & Changes
- iSCAN-II wt Diagnostic cable connection

4. Enter the Unit's serial number
(using the format 000xxxxx) and press **Send**.

The image shows a web form titled "iSCAN-II wt Base Unit S/N Registration". The form has a yellow header with the title and a yellow instruction box that says "Insert iSCAN-II wt Base Unit S/N Information (Please insert the correct information or your registration will be invalid)". Below this is a yellow input field labeled "Base Unit S/N" containing the text "000" and a cursor. To the right of the input field is the text "(Insert your correct 8 digit serial number)". Below the input field are two buttons: "Send" and "Reset". At the bottom of the form is a red section with the text "Registered iSCAN-II wt Number".

iSCAN-II wt Base Unit S/N Registration	
Insert iSCAN-II wt Base Unit S/N Information (Please insert the correct information or your registration will be invalid)	
Base Unit S/N	<input type="text" value="000"/> (Insert your correct 8 digit serial number)
	<input type="button" value="Send"/> <input type="button" value="Reset"/>
Registered iSCAN-II wt Number	

Image of the serial number can be found on the website

If you see the serial number followed by the word **Success** you have successfully registered your scanner.

If this fails (with the word **Fault**), you will need to contact your distributor to correct the situation before you may register and update your scanner.

** If you are still experiencing issues: Take a screenshot of the error message and contact Autoland Scientech USA, Inc. at (512)336-5152
